

ADMINISTRATIVE - INTERNAL USE ONLY

10 January 1984

STAT MEMORANDUM FOR: [REDACTED]
Chairman, Fine Arts Commission

STAT FROM: [REDACTED]
Chief, Near East Branch, GD/OGI

SUBJECT: Request for Approval to Loan
Antarctic Photography Display to
National Science Foundation

I recommend that the Agency accede to the enclosed request from the National Science Foundation. The National Science Foundation has traditionally been very helpful to our efforts on the Polar regions and is currently loaning us materials that form part of our Antarctic display.

Enclosure:
As stated

ADMINISTRATIVE - INTERNAL USE ONLY

Ten items are loaned to the Central Intelligence Agency, by the Division of Polar Programs, National Science Foundation. These items are a loan.

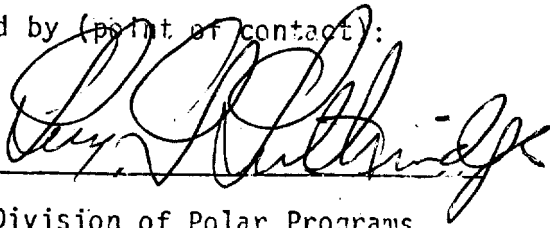

The items are:

- o 1 piece of Beacon sandstone with endolithic microorganisms
- o 1 jar of krill
- o 1 jar of soft coral
- o one medal/prize won by the movie Antarctica: Laboratory for Science
- o 1 reconstruction of the reptile Lystrosaurus
- o 4 casts of fossils from Coalsack Bluff
- o 4 volcanic bombs from Mt. Erebus
- o 4 maganese nodules (collected aboard Eltanin)
- o 1 core sample (#06-22522) taken from Lake Vida during the Dry Valley Drilling Project
- o 1 meteorite (olivine bronzite chondrite)
